

Dealings

2007

Some words

The earth will enjoy a lasting and
living peace only when men understand
that they must be truthful even in
their international dealings.

O Lord, it is for this perfect truth-
fulness that we aspire

—

La terre ne pourra pas jouir
d'une paix vivante et durable
tant que les hommes n'auront pas
appris à être parfaitement véridiques
même dans leurs relations internationales.

Seigneur, c'est à cette parfaite
vérité que nous aspirons.

1. Cut paper along dotted line.

2. Fold in half along shorter edge (while holding the paper in portrait mode, fold it in half horizontally backwards).

3. Fold it again in half (like closing a book) so that the date is on the front.
