

La Mère guide, aide chacun suivant sa nature et son besoin, et, si nécessaire, elle intervient avec son Pouvoir pour permettre au sâdhak de supporter les rigueurs et les exigences du Chemin. Elle s'est mise — avec tout l'Amour, la Paix, la Connaissance et la Conscience qu'elle est — à la disposition de chaque âme qui aspire et cherche de l'aide.

The Mother guides, helps each according to his nature and need, and, where necessary, herself intervenes with her Power enabling the sadhak to withstand the rigours and demands of the Path. She has placed herself— with all the Love, Peace, Knowledge and Consciousness that she is— at the disposal of every aspiring soul that looks for help.

3. Fold it again in half (like closing a book) so that the date is on the front.
